

KEY EXPERTISE

Programming Languages : C, C++, Python. Data Analysis : Excel. Experimental Design Technical Writing LaTeX
Algorithm Design Problem Solving Git Data Structures SQL Object Oriented Programming

EDUCATION

MAEER's MIT Arts Commerce & Science College Alandi (D) Pune

2023 - 2026

B.Sc. - Computer Science | CGPA: 8.59 / 10

SNBP, Yerawada, Pune

2023

12th | Percentage: 61 / 100

Prodigy Public School, Pune

2021

10th | CBSE | Percentage: 86.50 / 100

PUBLICATIONS / RESEARCH / WHITE PAPERS

Design and Development of a Digital Platform for Peer - to - Peer Book Exchange

04 Feb, 2025

Research Paper | International Journal of Advanced Research in Science, Communication and Technology | Mentor: Sharmila

More | No. of Authors: 2

Evolution And Implications Of The Internet Of Things

28 Feb, 2024

Research Paper | AVESHAN 2024 | Mentor: Dr Sunil Mahajan | No. of Authors: 1

DOI: 10.13140/RG.2.2.16409.39527

POSITIONS OF RESPONSIBILITY

Lead Researcher

– Alternate Search Algorithm

Proposed and developed an optimized search algorithm, conducting theoretical analysis and empirical testing in Python and MATLAB.
Led the research framework, managed peer reviews, and refined performance metrics.

Research Analyst & Co-Author

– Evolution and implications of the Internet of Things

Conducted literature reviews on IoT architectures, security risks, and applications in smart cities and healthcare. Analyzed trends,
proposed mitigation strategies, and contributed to structuring and drafting the research paper.

Software Developer

Have experience in developing various softwares.
